RESOLVED COMMITMENT

Resolved SELF+REQ Commitment

SELF *agent_a*

```
resource.obtain(q=4,item=oak_planks)
>  resource.deliver(q=4,
      item=oak_planks,to=agent_b)
```

REQ *agent_b*

```
craft.item(q=1,input=oak_planks,
           item=crafting_table)

>  resource.deliver(q=1,
      item=crafting_table,
      dst=order_chest)
```

agent_a --> agent_b

agent_b → order_chest
